

## Faith Walk Foundation-Income Generating Data

“Why wasn’t this perfume sold for three hundred denarii and the money given to the poor?” (*John.12:6*)

## **Faith Walk Foundation-Income Generating Data**

In the past we had cattle shed with cows. We were having milk and also selling out. Slowly due to campus people number increase and also investment, we could not run anymore. Now we plan for not only cattle shed but also different income generating activities so that not only few people are engaged but also there will be little income to support the campus activities.

If you are interested and inspired to support this kind of activities, please feel free to contact for more details.
